

Make Love

REMMI

I don't want you to be no slave
I don't want you to work all day
But I want you to be true

I just wanna make love to you
I just wanna make love to you
I just wanna make love to you
I just wanna make love to you
I just wanna make love

All I want to do is watch you close
I don't want to keep you indoors
There is nothing else for you to do
But keep me making love to you

I just wanna make love to you
I just wanna make, yeah I just wanna make
I just wanna make love to you
I just wanna make love

I just wanna make love to you
I just wanna make, yeah I just wanna make
I just wanna make love to you
I just wanna make love

Watch how you walk that walk, oh
Yeah how you talk that talk, oh
See how you treat your girl

And I could give you all the lovin' in the whole wide world

Watch how you walk that walk, oh
Yeah how you talk that talk, oh
See how you treat your girl

And I could give you all the lovin' in the whole wide world

I just wanna make love to you
I just wanna make love to you
I just wanna make love to you
I just wanna make
I just wanna make you mine

I just wanna make love to you
I just wanna make, yeah I just wanna make
I just wanna make love to you
I just wanna make love

I just wanna make love to you
I just wanna make, yeah I just wanna make
I just wanna make love to you
I just wanna make love
