

Origami

REMMI

You know I'm sensitive
You know how paper thin
Are the parts of me that bend and unfold, yeah
Carefully you trace
Skillfully you shape
The parts of me that bend and unfold, yeah

Ooh, lying in the dark we origami
Pressing gently delicate against me
Ooh, lying in the dark we origami
Hands all over beautiful aren't we
When we origami...

When we origami, gami, gami, gami
Hands all, hands all over
Hands all, hands all...

When we origami

Over underneath
Me in to you, you into me
Slowly we are made whole, yeah

Ooh, lying in the dark we origami
Hands all over beautiful aren't we
When we origami...

When we origami, gami, gami, gami
Hands all, hands all over
Hands all, hands all...

When we origami...
