Remo Drive

Look around in awe no sound
A sea of bodies
Great view feet on the ground
My label peeling

Art school
Colored hair
Too cool
For me but that's fair

Lay down I lie again
My pants on fire
Talking so confident
My small empire

My band
Somewhere in dinky
My bad
Shoulda knew yer busy

Look around in awe no sound
A sea of bodies
Great view feet on the ground
My label peeling

Art school
Colored hair
Too cool
For me but that's fair

Lay down I lie again
My pants on fire
Talking so confident
