

I am all loose ends
Won't you tie me
Tie me back up
I see a means to an end
But you cannot
You cannot go

I'm waiting for the day it hits me
And the feelings that I should feel come
My emptiness burns deep through me
Any closure is left undone

I am all loose ends
Won't you tie me
Tie me back up
I see a means to an end
But you cannot
You cannot go

In denial I sit comfortably
It isn't supposed to take this long
I can feel it boiling in me
But until then, I feel numb

I am all loose ends
Won't you tie me
Tie me back up
I see a means to an end
But you cannot
You cannot go

How is it that I loved you so dearly
Yet I still can't shed a tear
Why do I feel so goddamn numb
My feelings, they will re-appear

I am all loose ends
Won't you tie me
Tie me back up
I see a means to an end
But you cannot
You cannot go
