I am all loose ends  
Won't you tie me  
Tie me back up  
I see a means to an end  
But you cannot  
You cannot go

I'm waiting for the day it hits me  
And the feelings that I should feel come  
My emptiness burns deep through me  
Any closure is left undone

I am all loose ends  
Won't you tie me  
Tie me back up  
I see a means to an end  
But you cannot  
You cannot go

In denial I sit comfortably  
It isn't supposed to take this long  
I can feel it boiling in me  
But until then, I feel numb

I am all loose ends  
Won't you tie me  
Tie me back up  
I see a means to an end  
But you cannot  
You cannot go

How is it that I loved you so dearly  
Yet I still can't shed a tear  
Why do I feel so goddamn numb  
My feelings, they will re-appear

I am all loose ends  
Won't you tie me  
Tie me back up  
I see a means to an end  
But you cannot  
You cannot go
