Remo Drive

She's so pretty know I'm right
Think about it day and night
Monotone I spend my life
Something wanted I can't find

Oh it's been my pleasure this time
Oh ideal but not mine

Wishful thinking scattered dreams
Recipe for displeased
Dog in heat not over she
Impatient me or so it reads

Oh it's been my pleasure this time
Oh ideal but not mine

Its beauty twists me
Johnny I am hate me
Tragic hero hard to be
Playing parts I have not seen

Oh it's been my pleasure this time
Oh ideal but not mine
