

Flash In The Pan

Jane Remover

I can't live with shit up in the air
What he thinks about my mind and body
All the while, I really can't blame you
W-we don't have a single thing in common
I left my patience back at 30th Street Station
I got a thousand miles on my next life

Everybody think they own a piece of me
If you want a little taste, you can bite it

He said, "I'm on stage and you're thinkin' about other guys in front of me?"
"I can see it in your eyes, baby girl, don't lie to me"
He has the whole world and then some in the palm of his hand, I'm jealous (I
'm jealous)
I'm trashy for a bitch with no credentials
P-pretty boy said I was just a flash in the pan
I could take her flow if I can't take her man
I know how bad you wanna scream my name
They must be buggin' if they don't know who I am

You finding words to say, you not with me though
Wake up and find out it's not true
I got dreams of you and me, do you feel it though?
Wake up and find out it's just you
Can you feel from miles away I'm thinkin' 'bout you?
I could never get away with lying

I like his voice and the way he thinks about me
Then I go to sleep and wake up crying (Ah-ah-ah)

I'm on stage and he's thinkin' 'bout other girls in front of me
I can see it in his eyes, he don't have to lie to me
He has the whole world and then some in the palm of his hand, I'm jealous (I
'm jealous)
I'm trashy for a bitch with no credentials
P-pretty boy said I was just a flash in the pan
I could take her flow if I can't take her man
I know how bad you wanna scream my name
They must be buggin' if they don't know who I am

You got me wrapped around your finger, boy
So, tell the whole world that you know who I am
(I got you wrapped around my finger, boy)

You finding words to say, you not with me though
Wake up and find out it's just you
(I left my patience back at Newark Penn Station)
(Yeah, I got a thousand miles- I-I-I-I-)
I got dreams of you and me, do you feel it though?
Wake up and find out it's not true
(I'm laying on the tracks at Metropark Station)
(And I'm waiting on you to come save my life)

E-everybody think they own a piece of me
If you want a little taste, you can bite it
I like his voice and the way he thinks about me
Then I go to sleep and wake up crying

P-pretty boy said I was just a flash in the pan
I could take her flow if I can't take her man

(Yeah-yeah)
