Don't talk shit about me  
You know it makes me mad and it comes back to bite you in the a  
ss  
And I feel so surrounded by all these pebbles covering a mounta  
in

I'm at my limit, yeah, I can't take it  
Stay out of my business, why can't you just listen?  
My head is hurting, constant inverting  
I just fall silent when it starts to hurt  
I just fall silent when it starts to hurt  
I just fall silent when it starts to hurt  
I just fall silent when it starts to hurt  
I just fall silent when it

You get excluded like a private VC  
I thought we were besties  
It's the 31st, we talk on the 16th
