Uh, uh, uh, uh, uh, uh, uh, uh
Uh, uh, uh, uh, uh, uh, uh, uh
Uh, uh, uh, uh, uh, uh, uh (You'll turn your back on me again, your back
on me again)
Uh, uh, uh, uh, uh, uh, uh, uh (You'll turn your back on me again, your back
on me again)
Uh, uh, uh, uh, uh, uh, uh, uh (You'll turn your back on me again, your back
on me again)
Uh, uh, uh, uh, uh, uh, uh, uh (You'll turn your back on me again, your back
on me)

If you give me two weeks, I could make it normal
Wish I could be normal
Fake when dressing formal
Running to my room to go pretend that I'm immortal
Different views in morals
Hope when I move out that I can treat it like a portal
Tell me that I'm normal
'Cause nobody else will fucking tell me that I'm normal
Wish I could live more though
But I lock myself away so nobody will know me
Keep it lowkey
They say they know me, but they don't really know me
Came out the back door, please excuse my cold feet

Uh, uh, uh, uh, uh, uh, uh, uh (Back on me again, your back on me again)
Uh, uh, uh, uh, uh, uh, uh, uh (Your back on me again, your back on me again
)
You'll turn your back on me again
You'll turn your back on me again
You'll turn your back on me again
You'll turn your back on me again
You'll turn your back on me again
You'll turn your back on me again
You'll turn your back on me again
You'll turn your back on me again
