Hey, are you lonely?

C G

Has summer gone so slowly?

D Bm

We found the ground

And that damage was done

A D

It's cold as you fade into the sun

F#m G

Where'd you go? To me?

D

But you're alive!

Bm

Well, it's only

C G

Fallen frames, they told me

D Bm

You stand out, it's so loud

G

And so what if it is?

A D

It's cold as you face into the wind

F#m G

Where'd it go?

tonight the sun shall see its light

D A

So what if you catch me,

Bm

Where would we land?

G

In somebody's life

A D

For taking his hands

A

Sing to me hope as she's

Bm

Thrown on the sand

G

All of your work

A D

And this life and work

Where would we land?

Where to go ?

When I was sure you'd follow through
My world was turned to blue
When you'd hide your songs would die
So I'd hide yours with mine
And all my words were bound to fail
But I know you won't fail
See, I can tell
