

# Everybody Drops

RÉN

I've been on the run for so long  
I don't nowhere I'm goin'  
Tryna find my way back to home  
I don't show no signs of slowing (I-I oh, I-I oh-ah-oh)  
But, we all must stop (I-I oh, I-I oh-ah-oh)  
Eventually everybody drops

Yes, I was a pusher  
A pusher?  
Yes, I was a pushy, pushing, pusher  
Pushing, pusher  
I pushed myself hard  
'Til I couldn't push no farther  
My father he told me, "Son, you work too goddamn hard-er"  
But, lager he stopped me from thinking  
That my drinking  
Glass clinking  
Never sinking  
My ability to keep on linking  
To the rhythm's of this world  
I denied myself love, and myself loving it grows  
I'm wishing for a pause  
But, my brain it never slows-oh-oh-oh

(I-I oh, I-I oh-ah-oh)  
Every single thought we grow  
Every time we stumble there's a lesson in the blow (I-I oh, I-I oh-ah-oh)  
But, I'm learnin' so many lessons  
That I'm begging for them just stop  
I'm begging for peace  
And I'm leaving my thoughts  
'Cause my brain is about to pop, ha!

I've been on the run for so long  
I don't nowhere I'm goin'  
Tryna find my way back to home  
I don't show no signs of slowing (I-I oh, I-I oh-ah-oh)  
But, we all must stop (I-I oh, I-I oh-ah-oh)  
Eventually everybody drops

I never made Top of the Pops  
'Cause my body went and stopped, like the hands on a broken clock  
Tick-tock, quick shock  
Yes, you're made redundant  
I swear I'm not cryin' Mom, I'm fine I'm choppin' onions  
It's hard not to be bitter, when your body it doesn't work  
When your brain  
Just gives you pain  
To live through, fightin' off the hurt  
Fuck every virus dancin' with the hemoglobin in my veins  
Fuck every time a doctor looked at me with pity in his face  
And fuck fate  
If this is fate at work  
Fate, fuck you  
How many lessons in this life must I live through?  
I swear I had never done anything to deserve this  
I kept my spirit kind, and yet it's burning in the furnace

It's burnin', burnin', worsens  
It's burnin' 'til I'm worthless  
I feel my body burnin' up  
I'm bleedin' on these verses  
I'm losin' sight of purpose  
I'm startin' not to care  
'Cause you've taken all my dreams from me  
There's nothing left there

I've been on the run for so long  
I don't nowhere I'm goin'  
Tryna find my way back to home  
I don't show no signs of slowing (I-I oh, I-I oh-ah-oh)  
But, we all must stop (I-I oh, I-I oh-ah-oh)  
Eventually everybody drops

(I-I oh, I-I oh-ah-oh)  
But, we all must stop (I-I oh, I-I oh-ah-oh)  
Eventually everybody drops

(I-I oh, I-I oh-ah-oh)  
(I-I oh, I-I oh-ah-oh)  
(I-I oh, I-I oh-ah-oh)  
(I-I oh, I-I oh-ah-oh)
