

Fred Again Mash Up

RÉN

Sailin' in the chopper road killin' like we vultures
I became a queen when I rode with them brothers
Turned to, turned to, turned to lion I eat nightmares for supper
Brrorr-brrorr on command I'll sick em' on another

'Cause there ain't no love in the jungle
Ain't no, no, no, no
Ain't no, no, ohh
Ain't no love in the jungle
Ain't no, no, no, no

Pull me out of this

Everybody on a little mission mission
Money makes a go go missin' missin'
I get anyone in an instant instant

Everybody everybody everybody leave me alone

Her boobies gettin' lifted lifted
She wanna get lit lit lit lit
Fuckin' and battlin' and battlin' and battlin'

Everybody everybody everybody everybody
Everybody everybody everybody
Leave me alone alone alone
Leave me alone alone alone
Leave me alone alone alone
Leave me alone

Courage my soul
It won't be very long
Though the night is dark
It keeps me holding on

God bless my soul
It won't be very long
And though the night is dark
It keeps me holding on

I've been lost, I've been lost
I've been lost, I've been lost for awhile
But I'm really tryin'
I've been lost, I've been lost
I've been lost, I've been lost for awhile
But I'm really tryin'

I've been lost, I've been lost
I've been lost, I've been lost for awhile
But I'm really tryin'
I've been lost
I've been lost
I've been lost
But I'm really tryin'
