

## May You Be Blessed

Renaissance

Love - may you be blessed  
Live in the warmth of your caress  
And, as you go on  
May you be, never less than you can be

Love - may you hold strong  
Stay, all the way where you belong  
Then, as time goes by  
May you be, the sweet song, you sing today

Love - may you be blessed  
Every day  
Every way ...
