

# Hey That's No Way To Say Goodbye

Renato Russo

I loved you in the morning  
Our kisses deep and warm  
Your head upon the pillow  
Like a sleepy golden storm.

Yes many loved before us  
I know that we are not new  
In cities and in forests  
They smile like me and you.

But now it's come to distances  
And both of us must cry  
Your eyes are soft with sorrow  
Hey that's no way to say goodbye.

I'm not looking for another as I  
Wander in my time  
Walk me to the corner  
Our steps will always ride.

You know my love goes with you  
And your love stays with me  
It's just the way it changes  
Like the shorelines and the sea.

But let's not talk of love or chains  
And things we can't untie  
Your eyes are soft with sorrow  
Hey that's no way to say goodbye.

I loved you in the morning  
Our kisses deep and warm  
Your head upon the pillow  
Like a sleepy golden storm.

Yes many loved before us  
I know that we are not new  
In cities and in forests  
They smile like me and you.

But let's not talk of love or chains  
And things we can't untie  
Your eyes are soft with sorrow  
Hey that's no way to say goodbye.
