Hate U Btw

Rence

Acid on my tongue again
I'm walking on the ceiling
I'm stumbling home again
At 2 AM, you're sleeping

Came up with a trophy on my body
Getting pretty good at saying sorry
(Saying I'm sorry, I'm sorry, I'm sorry)
OK, I'm a piece of shit, you caught me
But you can't pretend that you don't love me
(I'm sorry, I'm sorry, I'm not even sorry!)

She said, "I hate you" by the way
With a smile on her face
She said I'm usually not her type
I guess the rules they don't apply
She said, "I hate you" by the way
With a smile on her face
She said I'm usually not her type
I guess the rules they don't apply

Quick look, karma coming to catch me
I can't keep losing my phone
(Where'd you go, oh, where'd you go)
Nothing funny 'bout her fast and
Falling for me faster than I ever fell before
(Let's do it- let's do one more?)

She said, "I hate you" by the way
With a smile on her face
She said I'm usually not her type
I guess the rules they don't apply
She said, "I hate you" by the way
With a smile on her face
She said I'm usually not her type
I guess the rules they don't apply

Where did you go?
Where did you go?
