

Christ Lives In Me

Rend Collective Experiment

I cast my life like ashes on the waves
And leave behind all of my selfish ways
My past is gone, now all that's left is grace
To live is Christ, to die is gain

I have been crucified with Christ
It is no longer I who lives
But Christ lives in me
I have a second chance in life
My future's open wide
I know Christ lives in me
He lives in me

My dreams I lay surrendered at the cross
My hands held high, my knees upon the dust
My choice is made, I've counted up the cost
To live is Christ, to die is gain
To live is Christ, to die is gain

I have been crucified with Christ
It is no longer I who lives
But Christ lives in me
I have a second chance in life
My future's open wide
I know Christ lives in me

He lives in me
Hallelujah, hallelujah...

I'm pressing on, pressing on to Heaven
I've seen the power of Your resurrection
The Saviour of my soul, is Jesus Christ alone
I'm pressing on, pressing on to Heaven
I've seen the power of Your resurrection
The Saviour of my soul, is Jesus Christ alone
It's You and You alone

I have been crucified with Christ
It is no longer I who lives
But Christ lives in me
I have a second chance in life
My future's open wide
I know Christ lives in me
I have been crucified with Christ
It is no longer I who lives
But Christ lives in me
I have a second chance in life
My future's open wide
I know Christ lives in me...

He lives in me
Christ lives in me
