

# Coming Out Fighting

Rend Collective Experiment

Oh-oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh-oh

It's not over 'til it's over  
I got resurrection power  
When the odds are stacked against me  
I'm still living in the victory

Not living in the chains of my yesterday  
'Cause You break me out of my cage

I am, I am coming out fighting  
I am, I am like Mercury Rising  
I got supernatural power inside of me  
So don't you count me out  
I'm coming out fighting  
I'm coming out fighting, yeah  
Oh-oh-oh-oh

There's some spirit in these dry bones (Oh-oh-oh-oh)  
There's some Holy Ghost in my soul (Oh-oh-oh-oh)  
Every scar has taught me something (Oh-oh-oh-oh)  
get up when I'm losing (Oh-oh-oh-oh)  
Not stuck here in the pain of my past mistakes

Because you break me out of my cage

I am, I am coming out fighting  
I am, I am like Mercury Rising  
I got supernatural power inside of me  
So don't you count me out  
I'm coming out fighting  
I'm coming out fighting, yeah

I've been broken, yeah, I've been beaten  
But there's some fight in me left  
I will rise again, find my feet again  
You're not done with me yet

I am, I am coming out fighting  
I am, I am like Mercury Rising  
I am, I am coming out fighting  
I am, I am like Mercury Rising  
I got supernatural power inside of me  
So don't you count me out  
I'm coming out fighting  
I'm coming out fighting, yeah, yeah  
I'm coming out fighting (Oh-oh-oh-oh)
