Today Is The Saviour's Day

Rend Collective Experiment

[Intro]
La, la-la-la, la-la-la, la-la-la, la-la
La, la-la-la, la-la-la, la-la-la
La, la-la-la, la-la-la, la-la-la, la-la
Today is the Saviour's Day

[Verse 1]
There's a frost on the ground but a fire in my soul
Today everything can change
There's a flame in my heart that'll never grow cold
Today is the Saviour's Day

[Verse 2]
Though the path may be covered in virgin white snow
Your starlight will guide the way
And the angels are singing, we are not alone
Today is the Saviour's Day

[Chorus]
Go tell it on the mountain, hope is alive
Go shout it in the valley, love has arrived
Gloria, glory in the highest
Oh, let the church choir sing out in Christmas praise
Let the bells ring out on the Saviour's day

[Post-Chorus]
La, la-la-la, la-la-la, la-la-la, la-la
La, la-la-la, la-la-la, la-la-la
La, la-la-la, la-la-la, la-la-la, la-la
Today is the Saviour's Day

[Verse 3]
If you feel like a stranger, there's room at the inn
Let no one be turned away
Let the bygones be bygones and healing begin

Today is the Saviour's Day
Yeah, today is the Saviour's Day

[Chorus]
Go tell it on the mountain, hope is alive
Go shout it in the valley, love has arrived
Gloria, glory in the highest
Oh, let the church choir sing out in Christmas praise
Let the bells ring out on the Saviour's day

[Post-Chorus]
La, la-la-la, la-la-la, la-la-la, la-la
La, la-la-la, la-la-la, la-la-la
La, la-la-la, la-la-la, la-la-la, la-la
Today is the Saviour's Day

[Bridge]
Let them sing it in the bars of Belfast City
Sing it round the fires by Dublin bay
From North to the South, across every divide
Together we celebrate

```
'Cause today is the Saviour's day
The Saviour's day

[Chorus]
Go tell it on the mountain
Go tell it on the mountain, hope is alive
Go shout it in the valley, love has arrived
Gloria, glory in the highest
Let the church choir sing out in Christmas praise
Let the bells ring out on the Saviour's day
Let the church choir sing out in Christmas praise
Let the bells ring out on the Saviour's day
```
