

BEHOLD HE COMES

Rend Collective

A Kingdom will come that shall not end
Where light owns the dark and hope will win
The empires of evil will no longer stand
They'll tremble defenseless before the Great I Am

The King is alive, He's on the move
He'll vanquish His foes and Hell will lose
Injustice will flee from the flash of His sword
And there'll be no question that Jesus Christ is Lord

Behold He comes the Risen One, salvation is coming
Behold He comes the Shining Sun, redemption is calling
Behold the Lamb who overcomes, Heaven's champion, seated on the throne
Just hold on, the King is surely coming

A great day shall come, our jubilee
Confetti will soar on golden streets
Our pain just a memory, our tears wiped away
Standing in glory, at last we'll see His face, oh-oh

Behold He comes the Risen One, salvation is coming
Behold He comes the Shining Sun, redemption is calling
Behold the Lamb who overcomes, Heaven's champion, seated on the throne
Just hold on, the King is surely coming

Every tribe, every tongue
Every heart, every soul
Will crown You Lord of All
Crown You Lord of All
Every knee, bows before
Angels sing, saints adore
And they crown You Lord of All
Crown You Lord of All

Behold He comes the Risen One, salvation is coming
Behold He comes the Shining Sun, redemption is calling
Behold He comes the Risen One, salvation is coming
Behold He comes the Shining Sun, redemption is calling
Behold the Lamb who overcomes, Heaven's champion, seated on the throne
Just hold on, the King is surely coming
The King is surely coming
