

# Desert Soul

Rend Collective

I love you, Lord  
But I want to love You more  
I need You, God  
But I want to need You more

I'm lost without  
Your creative spark in me  
I'm dead inside  
Unless Your resurrection sings

I'm desperate for a desperate heart  
I'm reaching out, I'm reaching

All that I am is dry bones  
Without You, Lord, a desert soul  
I am broken, but running  
Towards You, God, You make me whole

I love you, Lord  
But I want to love You more  
I need You, God  
But I want to need You more

I'm lost without  
Your creative spark in me (recreate me)  
I'm dead inside  
Unless Your resurrection sings

I'm desperate for a desperate heart  
I'm reaching out, I'm reaching

All that I am is dry bones  
Without You, Lord, a desert soul  
I am broken, but running  
Towards You, God, You make me whole

I am a desert soul without You, Lord  
I need You, I need You

You are exactly what we need  
Only You can satisfy  
You are exactly what we need  
Only You can satisfy

All that I am is dry bones  
Without You, Lord, a desert soul  
I am broken, but running  
Towards You, God, You make me whole

I am a desert soul without You, Lord

You are exactly what we need  
Only You can satisfy  
You are exactly what we need  
Only You can satisfy  
Only You, Only You  
You are exactly what we need

Only You can satisfy
