Rend Collective

While my heart is beating
While my body's breathing
My future's there for you to write
Though today I'm hurting
There's a new day coming
Bright and shining like your smile

I won't give up, no, no
I won't give in, no, no
You are the tide
On which I rise
I won't back up, no, no
I won't back down, no, no
This is the time
For me to rise

You are the fun in my life
You are the joy
You are the laughter inside
And I want more
No one could ever make me happier
No one could ever take me higher

Let's have some fun, fun
Fun, fun
Let's have some fun, fun
Fun, fun, yeah!

This I know for sure now
Nothing's keeping me down
Every fear is gonna go
Can't stop the feet from dancing
Stop my spirit soaring
You're the rhythm in my soul

I won't give up, no, no
I won't give in, no, no
You are the tide
On which I rise
I won't back up, no, no
I won't back down, no, no
This is the time
For me to rise

You are the fun in my life
You are the joy
You are the laughter inside
And I want more
No one could ever make me happier
No one could ever take me higher

Let's have some fun, fun
Fun, fun
Let's have some fun, fun
Fun, fun

Throw your hands in the air like you just don't care

Reach for the sky, let your heart run wild
Dance like there's no one watching
Sing like your soul is bursting
Throw your hands in the air like you just don't care
Reach for the sky, let your heart run wild
Dance like there's no one watching
Sing like your soul is bursting
Throw your hands in the air like you just don't care
Reach for the sky, let your heart run wild
Dance like there's no one watching
Sing like your soul is bursting
Throw your hands in the air like you just don't care
Reach for the sky, let your heart run wild
Dance like there's no one watching
Sing like your soul is bursting, yeah

You are the fun in my life
You are the joy
You are the laughter inside
And I want more
No one could ever make me happier
No one could ever take me higher

You are the fun in my life
You are the joy
You are the laughter inside
And I want more
No one could ever make me happier
No one could ever take me higher

Let's have some fun, fun
Fun, fun
Let's have some fun, fun
Fun, fun
Let's have some fun, fun
