

# REND THE HEAVENS

Rend Collective

Lord let me live to see revival  
The dark retreating from the dawn  
Throwback the curtains, let the light come pouring in  
Flood our desperate hearts  
Flood our desperate hearts

Lord rend the heavens and come down  
Till all the earth is holy ground  
Let it rain, let it rain  
Send revival  
And as we pray and seek Your face  
Abandon all our wicked ways  
Let it rain, let it rain  
Send revival now  
Send revival now, revival now

Lord let me live to see the harvest  
We'll reap the joy the tears have sown  
We'll see the prayers of generations come to pass  
And Your kingdom come  
Oh, let Your kingdom come

Lord rend the heavens and come down  
Till all the earth is holy ground  
Let it rain, let it rain  
Send revival  
And as we pray and seek Your face  
Abandon all our wicked ways  
Let it rain, let it rain  
Send revival  
Lord rend the heavens and come down  
Till all the earth is holy ground  
Let it rain, oh, let it rain  
Send revival  
And as we pray and seek Your face  
Abandon all our wicked ways  
Let it rain, let it rain  
Send revival now

I want to see the signs and wonders that You promised  
I want to see Your sons and daughters running home  
I want to see the world on fire for You, Jesus  
Have Your way, have Your way  
I want to see an army rising from the dry bones  
I want to see Your power moving through the streets  
Till every heart and soul on earth belongs to Jesus  
Have Your way, have Your way  
Have Your way, have Your way

Lord rend the heavens and come down  
Till all the earth is holy ground  
Let it rain, let it rain  
Send revival  
And as we pray and seek Your face  
Abandon all our wicked ways  
Let it rain, let it rain  
Send revival now

Oh, send revival now
