

Second Chance

Rend Collective

My future hangs on this
You made preciousness from dust
Please don't stop creating me

Your blood offers the chance
To rewind to innocence
Reborn, perfect as a child

Oh Your cross, it changes everything
There my world begins again with You
Oh Your cross, it's where my hope restarts
A second chance is Heaven's heart

When sin and ugliness
Collide with redemption's kiss
Beauty awakens by romance

Always inside this mess
I have found forgiveness
Mercy infinite as You

Oh Your cross, it changes everything
There my world begins again with You
Oh Your cross, it's where my hope restarts
A second chance is Heaven's heart

Countless second chances
We've been given at the cross
Countless second chances
We've been given at the cross

Fragments of brokenness
Salvaged by the art of grace
You craft life from our mistakes

Black skies of my regrets
Outshone by this kindness
New life dawns over my soul

Oh Your cross, it changes everything
There my world begins again with You
Oh Your cross, it's where my hope restarts
A second chance is Heaven's heart

Oh Your cross, it changes everything
There my world begins again with You
Oh Your cross, it's where my hope restarts
A second chance is Heaven's heart

Countless second chances
We've been given at the cross
Countless second chances
We've been given at the cross
