

Shining Light

Rend Collective

Roman candles that burn in the night
Yeah, you are a shining light
You lit a torch in the infinite

Yeah, you are a shining light
Yeah, you light up my life

You have always been a thorn in their side
But to me you're a shining light
You arrive and the night is alive
Yeah, you are a shining light
Yeah, you light up my life

We made a connection
A full on chemical reaction
Brought by dark divine intervention
Yeah, you are a shining light

A constellation once seen
Over royal Davids city
An epiphany you burn so pretty
Yeah, you are a shining light

You are a force, you are a constant source
Yeah, you are a shining light
Incandescent in the darkest night
Yeah, you are a shining light

We made a connection
A full on chemical reaction
Brought by dark divine intervention
Yeah, you are a shining light

A constellation once seen
Over royal Davids city
An epiphany you burn so pretty
Yeah, you are a shining light

Roman candles that burn in the night
Yeah, you are a shining light
Yeah, you light up my life
