**Rend Collective**

You're my oxygen, my very breath  
And source of life, the source of grace  
Ooh... I need You  
You're the wind that fills, these fragile sails  
You carry me, through crashing waves  
Ooh... I need You

Breathing, You in  
Yahweh, Yahweh  
Breathing You in  
Yahweh, Yahweh  
Breathing, You in  
Yahweh, Yahweh  
Breathing You in... Yeah

Stars would have no shine, without Your word  
So be the spark, Lord let me burn  
Ooh... I need You  
Ooh... I need You

Burning, within  
Yahweh, Yahweh  
Burning, within  
Yahweh, Yahweh  
Burning, within  
Yahweh, Yahweh  
Burning, within... Oh yeah

You are the great I am, seated upon the throne  
Nothing can take Your place in my heart  
I'm bringing all I am, standing with lifted hands  
Nothing can take Your place in my heart  
In my heart

Singing, Your name  
Yahweh, Yahweh  
Singing, Your name  
Yahweh, Yahweh  
Singing, Your name  
Yahweh, Yahweh  
Singing, Your name  
...
