

# Magic

Reneé Dominique

Black and white the world was  
A cloud of doubt above us  
I wish there's something I could do  
To get through  
Then suddenly color surrounded me  
Blooming trees and buzzing bees  
When I found you  
When I found you

I step into a new world  
Of discovery and possibilities  
Oh what would I do  
Without you

Oh it's magic  
It's magic  
When I'm with you  
My dreams seems so true  
It's magic  
It's magic  
When I'm with you  
My day is not blue

Ooooh, ooooh, ooooh

When times get tough, don't stress  
Chill ka lang and don't fret  
Kaya natin to'  
Just me and you  
A sparkle of positivity  
A sense of clarity  
When I'm with you  
When I'm with you

Oh it's magic  
It's magic  
When I'm with you  
My dreams seems so true  
It's magic  
It's magic  
When I'm with you  
My day is not blue

Ooooh, ooooh, ooooh

Oh it's magic  
Ooooh, ooooh, ooooh  
It's magic when I discovered you
