

# Leave Me Alone

Reneé Rapp

I'm a real bad girl but a real good kisser  
Leave me alone, bitch, I wanna have fun  
Got my hair tied up, phone on don't disturb  
Leave me alone, bitch, I wanna have fun  
Wear my jeans so low, show my little back dimples  
Leave me alone, bitch, I wanna have fun  
Even line my lips just to match my nipples  
Leave me alone, bitch, I wanna have fun

Can I tell you a secret?  
I'm so sick of it all  
Come get wet in the deep end  
T-t-t-take it off  
C-c-c-cannonball

Manager called me said, "Where's the single?"  
Leave me alone, bitch, I wanna have fun  
Oh, you're breaking up, babe, I don't got no signal  
Leave me alone, bitch, I wanna have fun  
Sign a hundred NDAs but I still say something  
Leave me alone, bitch, I wanna have fun  
I took my sex life with me, now the show ain't fuckin'  
Leave me alone, bitch, I wanna have fun

Can I tell you a secret?  
I'm so sick of it all  
Come get wet in the deep end  
T-t-t-take it off  
C-c-c-cannonball

Can I tell you a secret?  
I'm so sick of it all  
Come get wet in the deep end  
T-t-t-take it off  
C-c-c-cannonball

Party in the hills, people trying to talk business  
Leave me alone, bitch, I wanna have fun  
I just wanna dance, don't take my picture  
Leave me alone, bitch, I wanna have fun  
My ex walked in and my other ex with her  
Leave me alone, bitch, I wanna have fun  
The three of us together, that's a real tongue twister  
Leave me alone, bitch, I wanna have fun
