

Set My Heart On Fire

Renegade Five

Take my hand
I will make you understand
I'm in vain
Driving on a different lane

I never said the truth
About the things I did
But I'm in love for sure
All I want to have is you
Baby, I am here to guide you
You set my heart on fire

Don't want to live my life
Alone without you
I fear this feeling inside me
It's so hard for me
I'm not as strong as you think
I see you everywhere I go

Yes I know
I wasn't really good enough
I went away
Knowing you were not okay

I never said the truth
About the things I did
But I'm in love for sure
All I want to have is you
Baby, I am here to guide you
You set my heart on fire

Don't want to live my life
Alone without you
I fear this feeling inside me
It's so hard for me
I'm not as strong as you think
I see you everywhere I go

I'm waiting for a chance
I hope you'll understand
Life has not been easy
For someone like me

Baby, I am here to guide you
You set my heart on fire

Don't want to live my life
Alone without you
I fear this feeling inside me
It's so hard for me
I'm not as strong as you think
I see you everywhere I go
