

# better off

renforshort

Who are you that I'm looking at?  
Mirrors are painted black  
Don't wanna be me anymore  
Gonna lay on a tennis court  
Playin' dead like a corpse  
Wish I could melt into the floor  
Are the aliens listening?  
I hope they come for me  
I hope they walk up to my door  
And say we've seen enough  
We're here to save you now

Do you ever wonder  
Is this planet ours?  
Do you ever wonder  
Are we better off on mars?  
Are we better off?

Hate when my stomach hurts  
Waking up makes it worse  
Just need a break for the day  
Make me an astronaut  
Float to another dot  
I heard your tears can't fall in space  
God, I hate gravity, it's a sign of reality  
Reminding me of that movie when  
You live the same day  
Again and again and again

Do you ever wonder  
Is this planet ours?  
Do you ever wonder  
Are we better off on mars?  
Are we better off?  
Are we better off?

Do you ever think about it?  
Only been here a couple thousand  
And they got us all surrounded  
Do you ever? Do you ever?  
Do you ever think about it  
How the earth is getting crowded?  
And they got us all surrounded  
Do you ever? Do you ever?

Do you ever wonder  
Is this planet ours?  
Do you ever wonder  
Are we better off on mars?  
Are we better off?

(Are we better off? Are we better off? Are we better off?)  
(Are we better off? Are we better off? Are we better off?)

Are we better off
