

I like  
The grey in your hair  
The way that you care  
About things in my life  
I hope  
That you can see  
The things we could be  
If you left her behind

I'm only eighteen  
But I know how to love  
I won't let you down  
If you let me try  
I've had this dream  
About you for a while  
I'm hoping that it can come true  
This time

If I call you baby  
Would that be alright  
I just want to want you  
Without thinking twice  
If I told you everything  
That's on my mind  
Would you make an exception tonight

I like  
The way that we talk  
The stories you tell  
About falling in love  
But I'm  
Losing my mind  
'Cause when I see you  
I keep picturing us

I'm only eighteen  
But I know how to love  
I won't let you down  
If you let me try

If I call you baby  
Would that be alright  
I just want to want you  
Without thinking twice  
If I told you everything  
That's on my mind  
Would you make an exception tonight

If I call you baby  
Would that be alright  
I just want to want you  
Without thinking twice  
If I told you everything  
That's on my mind  
Would you make an exception tonight
