

# feeling good

renforshort

I  
Was  
In love  
With the shadow of a person that I knew  
And touched  
And wanted  
All of

Knew  
You yesterday  
By tomorrow we'll be strangers yet again  
I wanted  
I wanted you to know  
I can't help but loose control

I miss the feeling  
I miss the feeling  
I miss the feeling  
I miss feeling good  
Feeling good

I miss the feeling  
I miss the feeling  
I miss the feeling  
I miss feeling good

Try  
My luck  
Sometimes  
I'll just end up finding places I can hide  
And lie  
And sleep through  
The night

I've been falling down spirals  
I've been  
Trying to cry

I miss the feeling  
I miss the feeling  
I miss the feeling  
I miss feeling good  
Feeling good

I miss the feeling  
I miss the feeling  
I miss the feeling  
I miss feeling good

(I miss the feeling)

I-I-I miss it (feeling good)  
I-I-I miss it (feeling good)  
I-I-I miss it (feeling good)  
I miss the feeling  
I miss feeling

I miss the feeling  
I miss the feeling  
I miss the feeling  
I miss feeling good  
Feeling good

I miss the feeling  
I miss the feeling  
I miss the feeling  
I miss feeling good
