

Bounce Back

Renni Rucci

Damn, Flaw, this what I been prayin' for
Hey Heavy, turn the beat up though
Uh

If I throw this motherfucker, keep it real, is you gon' catch it?
Got him grabbin' on the wall, thick as hell, applyin' pressure
Got a whole lot of ass, even got a lil' extra
If I got back on the pole, shit, I'd probably change the weather
Nigga, tell me how you like it, doggystyle or should I ride it?
Make a nigga come quick, he weak as hell tryna fight it
Freek-a-leek in the sheets, nigga, lick it, nigga, bite it
Put you on some new shit, nigga, is you down to try it?
I got my hands on my knees with my ass up
Drop down, grind slow, 'bout to act up
You ain't got no cheese, nigga, need to back up
Only poppin' pussy for the niggas with they cash up

When your ass this fat, that's that bounce back
When he hit it from the back, make him bounce back
Since he playin' with them bands, I make him count that
Make him spend a whole check, now he can't bounce back
Bounce back, bounce back, bounce back, bounce it
Bounce back, bounce back, bounce back, bounce it
Bounce back, bounce back, bounce back, bounce it
Bounce back, bounce back, bounce back, bounce it

Make a nigga fall in love when I'm backin' it up
Lil' niggas can't hang, I hope you packin' enough
I only fuck with hood niggas like them ones from the Bluff
That like fuckin' to some Gucci, then go roll him a blunt
Pussy so good, he wanna take it with him
Can't even get my nails done without him babysittin'
Ass jumpin' in these jeans, got that Blake Griffin
This a grown man plate, ain't no cake missin'
Grabbin' on your ankles, shake that shit
Put that arch in your back, show him how you take that dick
Do it like a pro, girl, drop it low, do a split
Make that ass bounce bounce, baby, show him that you thick thick

When your ass this fat, that's that bounce back
When he hit it from the back, make him bounce back
Since he playin' with them bands, I make him count that
Make him spend a whole check, now he can't bounce back
Bounce back, bounce back, bounce back, bounce it
Bounce back, bounce back, bounce back, bounce it
Bounce back, bounce back, bounce back, bounce it
Bounce back, bounce back, bounce back, bounce it
