Hey, hey, hey  
Hey, hey, hey  
Eh, eh, eh  
Eh, yeah-yeah  
Yeah-yeah-eh-eh

Make your next move carefully  
Maybe you should've cared for me  
It's not my responsibility  
To kiss myself all over  
Tell me I'm like a four leaf clover (oh)  
Next time your eyes will be open wide  
When I'm gone, don't sit around and wonder why  
You should always smell the roses when they're alive  
But now you're stuck with dead flowers  
You got a taste in your mind that's so sour (oh)

How does it feel?  
You lost your real  
How does it feel?  
You lost your real  
You lost your real, real one

I'm the realest motherfucker you ever had  
I'm the realest motherfucker you ever had

I've got my options, quite a few  
You're getting smaller if you  
They say that if we want, we'll play the fool  
I guess this is your moment  
So put your clown face on and just own it (oh)  
I tried, I tried to be good to you  
But you messed up, what's a girl to do?  
And since I moved on, yes, life is good as true  
To the top is where I'm headed  
And you'll be lucky if you're in the credits (oh)

How does it feel?  
You lost your real  
How does it feel?  
You lost your real  
You lost your real, real one

I'm the realest motherfucker you ever had  
I'm the realest motherfucker you ever had

(Yeah) hi (hi, hi, hello)  
Everybody always thinks that the grass is greener (uh-huh)  
On the other side (the other side)  
No luck, now you're stuck reading Dear John letter  
In the middle of the night (in the middle of the night)  
No time for but ask yourself why  
How did I become that guy? Oh my (oh my)  
Usually, it starts with a lie, now you're wondering why you can't get a repl  
y  
Next time, hopefully you will do better  
And you won't have to say bye-bye (bye-bye, ha)

How does it feel?  
You lost your real  
How does it feel?  
You lost your real  
You lost your real, real one

I'm the realest motherfucker you ever had  
I'm the realest motherfucker you ever had
