

# That Rock Won't Roll

Restless Heart

Every little move she makes,  
Is gonna catch somebody's eye.  
You ought to see all the double-takes,  
When she goes walkin' by.  
But she's so distant.  
She seems so cold.

Everybody says that rock won't roll.  
They say the girl's got a heart of stone.  
That rock won't roll,  
Oh, but she's too pretty to be alone.  
I've got all this love inside me,  
And I've just got to see,  
If that rock won't roll.

I'll give her everything I've got,  
I'm gonna change her point of view.  
I'll keep tryin' and I won't stop,  
Until the love in her eyes shines through.  
When I show her,  
This heart of gold.

Then we'll see if that rock won't roll,  
They say the girl's got a heart of stone.  
That rock won't roll,  
Oh, but she's too pretty to be alone.  
I've got all this love inside me,  
And I've just got to see,  
If that rock won't roll.

[Instrumental Break]

I've got all this love inside me,  
And I've just got to see,  
If that rock won't roll.

Oh, she's so pretty,  
But that rock won't roll.  
Oooh, and I've just got to see,

[To Fade]

If that rock won't roll.  
That rock won't roll.  
I just can't believe that rock won't roll.
