

I Belong To You

Reuben Morgan

You're the joy I know, the treasure I hold dear
I burn for You, My eternal love

Open arms, welcome me close to Your heart
And there I long to stay
Mercy falls, cleansing my life with Your blood
Whiter than the snow

Chorus:

I belong to You, Jesus my first love
You're everything I'm living for
You're the joy I know, the treasure I hold dear
I burn for You, My eternal love

Take my life, join me forever with You
Make our hearts as one
Perfect love, driving away all my fears
Freedom I've found

Jesus, my eternal love
Jesus, my eternal love
Jesus, my eternal love
