

Blamethrower

Reuben

We all have responsibilities,
We all have a social debt,
And if there is a man free of guilt,
I haven't met him yet,

So now you're backed in a corner,
You're under verbal attack,
They're pointing fingers like guns in your face and...
Nobody got your BACK,

You've got to blame somebody for all your fucking
mistakes,
So someone else will pay for all the bad choices you
make,
And you should take responsibility for what you do,
But you just point your finger at somebody innocent and
say...,

No I don't feel so fucking good,
No I don't feel so fucking good,
No I don't feel so fucking good,
No I don't, I need SOMEBODY TO BLAME,

GOT BLAME?,
I GOT BLAME,
I got blame,

So one day somebody asks you how you feel,
And instead of telling the truth,
You reel off a list of things you think they want to
hear,
Because it's easier that way,
And so they treat you like this completely different
person,
Because all they know about you is misinformation,
And you gradually detach yourself from all your
actions thinking...,

OH, I DON'T KNOW WHY I DON'T MEAN WHAT I SAY,
I DON'T KNOW WHY I DON'T FEEL WHAT I SAY,
YOU'VE BEEN LYING ABOUT YOUR FEELINGS FOR SO LONG,
YOU'VE FORGOTTEN WHO YOU ARE,

You got to blame somebody for all your fucking
mistakes,
So someone else will pay for all the bad choices you
make,
And it is all your fault that you feel angry like you
do,
But you could not admit it and you're stuck
thinking...,

No I don't feel so fucking good,
No I don't feel so fucking good,
No I don't feel so fucking good,
No I don't, I need somebody,

No I don't feel so fucking...,
No I don't feel so fucking...,
No I don't feel so fucking good,
No I don't, I need somebody to blame,

ARRGGGHHHH...,

YEAH, BLAME
