Enemy

Reuben

You alone should know
The shit sticks fast
Weighing up the consequences
You made up your mind
To kick my ass
And I was left with no defences

I'm a little screwed around inside
And you think I don't remember
But I can't forget the things you did, can I?

I'm your enemy
I'm your enemy
I'm your enemy
I'm your enemy

Sugar faces, plastic smiles and all
Nothing seems to pacify me
People watch and wait for me to fall
Go ahead and fucking try me

See the features crack into a grin
And I'm glad you think it's funny
I'm coming back for something more
And I'm not laughing, am I?

I'm your enemy
I'm your enemy
I'm your enemy
I'm your enemy

Never forget that

No
