

Glitterskin

Reuben

Chew it up
And spit it out
I can doubt
Without a doubt
Sell my soul
And keep it in
I got balls
And glitterskin

It's just a bad dream
And I'm waiting, Oh,
It's alright, It's okay, I'm alright
It's just a bad dream

Thank god I, can sleep again
I'll never get, number 10
So you can, agree with it
Leave me be, and do it again

It's just a bad dream
And I'm waiting, Oh,
It's alright, It's okay, I'm alright
It's just a bad dream

I'm alright,
I'm okay
And I'm alright, but I'm o...

It's alright, I'm okay, I'm alright

It's just a bad dream
