

Our Song

Reuben

No way I won't go
No way I don't show
Yeah I told you so
Yeah, I said no

All this smiling has become so meaningless
I refuse to play along

Cause I got bored of you
I am so bored
And I got bored of you
I am so bored

Shut my mouth I'm dumb
Close my mind I'm numb
Look what I've become
On my turn

Always cruising for another big mistake
I'll make this one my own terms

Cause I got bored of you
I am so bored
Yeah I got bored of you
I am so fucking bored

Let's go!
Yeah, right!
Let's go!
Yeah!
