TV's screwed again
And I'm already bored
In this age of goldfish consciousness
And rock star gods
How do you react?
And do I blaspheme if I say:

I killed Kurt Cobain
I killed Kurt Cobain
I killed Kurt Cobain
I killed Kurt Cobain

You still wear the face
Of a guy you never knew
Where were all your fucking shirt when
_____ went down

Are you bored again?

I killed Kurt Cobain
I killed Kurt Cobain
I killed Kurt Cobain
I killed Kurt Cobain

And when I'm bored
I go fucking apeshit

I fucking hate it
I hate it
I hate it

I'm going nowhere
