

# Candle Burns

Rev Theory

Time  
Time is holding onto everything  
Behind the curtain pulling every string  
It's slowly running down  
And there is no escaping it

Out here in the cold  
With all that I've sold  
I'd rather die here  
Then live here alone  
I'd rather die here

My candle burns  
You never know when it's your turn  
Not gonna wait for it  
Waste one breath  
Steal the hourglass  
And don't let it fall

Time  
Time is holding on to everything  
Behind the curtain pulling every string  
It's slowly running down  
And there is no escaping it

Out here in the cold  
With all that I've sold  
I'd rather die here  
Then live here alone  
I'd rather die here

My candle burns  
You never know when it's your turn  
Not gonna wait for it  
Waste one breath  
Steal the hourglass  
And don't let it fall

My candle burns...

Right to the edge...

My candle burns  
You never know when it's your turn  
Not gonna wait for it  
Waste one breath  
Steal the hourglass  
Don't let it fall

My candle...  
My candle burns
