

# Drop the Hammer

Rev Theory

Wake up, wake up, wake up, wake up, wake up, wake up, wake up  
Wake up, wake up, wake up, wake up, wake up

Another day I feel broken  
Another piece in the game, game, game  
Wake up, wake up now, 'cause this is a war  
Every day is like a new catastrophe  
Tick tock, tick tock, time to even the score  
Lights out  
Why don't you just open your eyes?  
Take it, take it, take it  
Why don't you just open your eyes?

Drop the hammer, drop, drop the hammer  
Drop the hammer  
Now let the hammer drop  
Drop the hammer, drop, drop the hammer  
Drop the hammer  
Now let the hammer drop

Another chamber is loaded  
Another shot to the vein, vein, vein  
Wake up, wake up, find your way through the darkness  
Living in a cold reality  
Tick tock, tick tock, with your life on the line, there's no time  
Why don't you just open your eyes?  
Take it, take it, take it, take it, take it  
Why don't you just open your...

Drop the hammer, drop, drop the hammer  
Drop the hammer  
Now let the hammer drop  
Drop the hammer, drop, drop the hammer  
Drop the hammer  
Now let the hammer (No!)  
Let the hammer drop (No!)  
Let the hammer drop (No!)  
Let the hammer drop (No!)  
Now let the hammer drop

Wake up, wake up, wake up, wake up, wake up (another shot to the vein)  
Wake up, wake up, wake up, wake up, wake up (cold reality)  
Wake up, wake up, wake up, wake up, wake up  
Why don't you just open your eyes?  
No

Drop the hammer, drop, drop the hammer  
Drop the hammer  
Now let the hammer (No!)  
Let the hammer drop (No!)  
Let the hammer drop (No!)  
Let the hammer drop (No!)  
Now let the hammer drop
