

# Not Alone

Rev Theory

The light comes  
Sweat my blood  
I'm barely holding on

Gave my all  
Played my cards  
I'm begging for forgiveness

But I can't mend a broken heart  
And I can't bear another start  
Wish I could walk away from the pain  
And bury it all away

When the lights come on  
Wake me up 'cause I'm done dreaming  
Tell God to pray for me  
And tell me that I'm not alone

When the darkness calls  
I won't give up, while I'm still breathing  
Tell God to pray for me  
And tell me that I'm not alone

I'm not alone

The dark comes  
Fills my lungs  
The water washes over me  
Down this road  
Of broken homes  
The last call for new beginnings

Time has come to let it go  
If I don't try now, I'll never know  
Just got to wash away  
All the pain  
And finally walk away

When the lights come on  
Wake me up 'cause I'm done dreaming  
Tell God to pray for me  
And tell me that I'm not alone

When the darkness calls  
I won't give up, while I'm still breathing  
Tell God to pray for me  
And tell me that I'm not alone

I'm not alone

Tell me that I'm not alone  
I'm not alone

Tell me that I'm not alone  
I'm not alone

Everything was lost in shadows

Now, I have the strength to turn the page  
Tearing down the walls to find the freedom to see love within me

When the lights come on  
Wake me up 'cause I'm done dreaming  
Tell God to pray for me  
Tell me that I'm not alone

When the darkness calls  
I won't give up, while I'm still breathing  
Tell God to pray for me  
Tell me that I'm not alone

I'm not alone

Tell me that I'm not alone  
I'm not alone

Tell me that I'm not alone  
I'm not alone

Tell me that I'm not alone  
I'm not alone

Tell me that I'm not alone  
I'm not alone
