Rev Theory

We're all the same, we're all just animal (just animals)
Stuck in a cage with all the other ones (the other ones)
It's so insane there is no antidote (no antidote)
So full of rage and there is nowhere to go (nowhere to go)

We're all the same here (just animals)
We're all the same here (just animals)
We're all the same here (just animals)
We're all the same here

So let's break it down
Only one can walk away
Let's break it down
Only one can walk away
Let's break it down, yeah, yeah
Only one can walk away
Let's break it down, yeah, yeah
Only one can walk away

We're all the same, we can't escape the fate (escape the fate)
It's kill or die behind the iron gate (the iron gate)

We're all the same here (just animals)
We're all the same here (just animals)
We're all the same here (just animals)
We're all the same here

So let's break it down
Only one can walk away
Let's break it down
Only one can walk away
Let's break it down, yeah, yeah
Only one can walk away
Let's break it down, yeah, yeah
Only one can walk away

One can walk away
One can walk away
One can walk away

We're all the same here (just animals)
We're all the same here (just animals)
We're all the same here (just animals)
We're all the same here

So let's break it down
Only one can walk away
Let's break it down
Only one can walk away
Let's break it down, yeah, yeah
Only one can walk away
Let's break it down, yeah, yeah
Only one can walk away

One can walk away
One can walk away
One can walk away
