

# The Fire

Rev Theory

Tell me that I'm hopeless  
Tell me I'm a lost and wayward son  
Tell me that I'm callous  
Tell me that our life is too forgone

So take a breath and brace yourself

Tell me I'm a lost soul  
Tell me I've one foot in the grave  
Tell me that I'm shallow  
Tell me it's enough to keep you awake

So take a breath and brace yourself

Coz tonight this could be the last chance before we die  
Can we rise again from the ashes?  
In this final moment  
Is the fire still alive?  
Tonight

Tell me that I'm faded  
Tell me that to you I'm already dead  
Tell me that I'm crazy  
For thinking that we'd ever be the same again

Tell me that you hate me  
It wouldn't be the worst thing you ever said  
But don't tell me that it's over  
Don't tell me that it's over

We are not the same  
This life won't last forever  
We are not the same  
Why can't we just remember?

Scars remind what burned inside, oh
