## Revenge

Demons ride from hell  
And hope them for finish my part  
Evil forge in Satan's spell  
Arrive on time for make your attack!

Go mad for rite, chant and pray  
The insane world is now here  
The devil's ceremony is opened now  
Evil time has come!

Death is calling to me  
Hell is frightening agony for me  
Evil skin of Satan set  
666 will carved on your head! (Repeat)

And so what?!  
Only the real and braves will prevail  
Devil is by my side  
And he's my fuckin' comrade!

Now I'm ready to attack  
My vengeance will be crude and hard  
I feel the power of death in my veins  
Is a sacrifice in name of hell!

Death is calling to me  
Hell is frightening agony for me  
Evil skin of Satan set  
666 will carved on your head! (Repeat)
