

Fire Attack

Revenge

Always allied
we will be much force
we will shell and blood
until the end !

without compasion
in the fire attack

Under the shade
and the strong sun
we will battle
Till death !

Without compasion
in the Fire Attack
the swords of steel
shine in the dark

Under the shade
and the strong sun
we will battle
Til death !

Without compasion
in the Fire Attack
the swords of steel
shine in the dark
