

# Flying to Hell

## Revenge

Enjoy this journey  
I'm going to hell  
Devils are calling my name

The Dark Lord Welcomes me  
And so I feel free  
Flames burn all here

Satan Master show me the Steel  
And joined the Metal rings  
Wake up! is not a dream  
And evil desire is growing in me.

Flying To Hell !!  
The midnight in flames  
Flying To Hell !!  
Master as well.

Satan Master show me the Steel  
And joined the Metal rings  
Wake up! is not a dream  
And evil desire is growing in me.
