

## Maximum Destruction

## Revenge

All the around of the midnight  
Begins to deteriorate  
It is the maximum destruction  
The war has arrived

Infernal commands attack  
Maximum forces in the earth  
The wicked squads  
Arrived to stay and reign.

Maximum  
Maximum  
Maximum  
Maximum destruction

The desolation embraces the space  
The corpses blend in the mud  
Here the terror there is everything  
Destruction and infinite Death!!

They march and their steps resound  
There is no place to go  
The roads lie cracked!!!  
The suicide the only end

Maximum  
Maximum  
Maximum  
Maximum destruction!!!
