

Rising Forces

Revenge

The time is completed
It is time to be ready
Now it will be

Shadows move
The time is ending
To attack!

At night, rising forces!
After the war, rising forces!

Blood and horror are present
The dust covers everything, ahh!
Desperate voices scream
The suffering ones ask for forgiveness

At night! Rising forces!
After the war! Rising forces!

Only the exile
Many insane
Rested there

For their greed
Anything was taken
Surprise of dying

At night! Rising forces!
After the war, rising forces!!!
Aaahhh!!! Rising forces!
